

Re : The COMPREHENSIVE 40 MAJOR GROUP OF COMPANIES In Indonesia, 2008 - 2009

PT CISI RAYA UTAMA is an information consulting company with broad experience in research and investigation of companies in Indonesia and has been trusted by lots of institutions in worldwide. Based on professionalism and experience, P.T. CISI RAYA UTAMA has successfully compiled data and information of several companies and wrapped up in a report of groups of companies. It has been hard to compile data of company members of a group because the owners of the company have frequently changed.

In this occasion, P.T. CISI RAYA UTAMA has successfully compiled and processed 40 units of company groups and presented in a book with the title of **"THE COMPREHENSIVE 40 MAJOR GROUP OF COMPANIES IN INDONESIA 2008 - 2009"**. We realize that the books still have lots of weaknesses and we are ready to receive critics for improvement.

Each company group profile contains :

A. Historical Background

- The Establishment of the Group
- Owners of the Group
- Profile of the Group Parent Company

B. Business Operation and Development

- Business Activities and Development of Members of the Group
- Business Activities and Development of Company Members and Affiliated Companies of the Group

C. Financial Aspect

- Analysis of financial condition and situation of the group including company's balance sheets

D. Management Aspect

- Managerial Skills Applied by Company Members of the Group
- Relation and Connection with Various Businessmen and Government Sectors

This book is presented with information to be useful for business concerns, banking institutions, insurances companies, international financial institutions, large scaled trading companies and other decision makers.
