PT. CISI RAYA UTAMA (CISI) mengemas sebuah direktori eksklusif yang diberi judul "Standard of Indonesia MANUFACTURERS Directory". Direktori ini adalah edisi pertama, merupakan hasil penelitian terhadap 8000 perusahaan manufaktur di Indonesia. Dari hasil penelitian itu ditemukan berbagai kendala, antara lain perubahan nama, perubahan alamat, perubahan status, ada beberapa perusahaan yang bergabung (merger), malah terdapat beberapa perusahaan yang sudah menghentikan kegiatannya. Kendala tersebut membuat CISI hanya bisa menyajikan sebanyak 7.000 perusahaan.

Pada edisi pertama, CISI lebih mengutamakan mengisi direktori manufaktur ini dengan perusahaan-perusahaan yang berstatus beroperasi hingga akhir tahun 2009, sebelum direktori ini diterbitkan. Metode pengumpulan datanya dilakukan dengan pengumpulan data dari berbagai sumber yang berkompeten ditambah dengan dari bank data milik CISI kemudian setelah datanya terkoleksi diadakan pengecekan langsung kepada masing-masing perusahaan, sebagai konfirmasi agar data-data yang disajikan lebih akurat.

Kami juga mohon maaf kepada perusahaan manufaktur yang belum berhasil disajikan dalam edisi pertama ini. Kami akan menyajikannya pada edisi selanjutnya.

Tujuan utama CISI menerbitkan direktori ini, untuk mempermudah para manager pengambil keputusan dalam berbagai perusahaan, termasuk juga membantu calon investor yang bermaksud mencari rekan bisnisnya di Indonesia. Direktori eksklusif ini bisa didapatkan dengan cara memesannya langsung kepada bagian pemasaran Bapak Muslim M Amin melalui Telp (021) - 83796504 (hunting) 3145660 dan 83795745. Mobilephone +62818100841, atau Fax No. 021-83795744 juga bisa melalui E-mail cisi@cisiraya.com, marketing@cisiraya.com. dengan harga US\$. 355,- per exemplar, diluar ongkos kirim bagi pelanggan yang bermukim diluar kota Jakarta.

Bagi para pelanggan, maupun pembeli yang sudah menjalin sebuah kerjasama yang baik dengan kami tak lupa kami sampaikan terima kasih.

Hormat kami,
P.T. CISI RAYA UTAMA
